

CRU M & M Program Majors & Mentors

We invite alumni to consider enrolling in the Majors & Mentors Program. This program provides invaluable resource and encouragement to current students from graduates with the same major.

Several mentor methods are suggested in participating in this program:

- * One time pre-scheduled conference call
- * Appointment at office
- * Shadowing Day
- * Work site tour
- * Referral to professional associations
- * Suggest courses to take

- Provide information about my Company, & employment opportunities
- Would invite my company to recruit on campus
- Participate in annual Crusader Career Focus Day
- Participate in Career Services Special Event
- Participate in Crusader Successes & Profile Program
- Provide information for job search, my geographic area

Listed above are only a few ways of sharing your experience and information with a student. Wouldn't it have been nice, when we were students to have had a graduate in our major or field to gain suggestions and advice?

 Yes, I would be happy to be a part of the M&M Program.

 I'm interested; please contact me with more information.

I am a CRU: Alumnus Parent Faculty/Staff
